

CHECK LIST CSI2* ZDUCHOVICE 31.5.-4.6.2023

Before arrival:

- check the temperature of your horse twice daily for 3 days before arrival to the venue and record this in the FEI Horse App
- fill in the health self-declaration form in the FEI Horse App
- FEI passport: must comply with the FEI requirements
- Check vaccination statuses of your horse: *Equine influenza Vaccination*: all horses must be vaccinated against equine influenza according to the FEI Rules article 1003, NO vaccination shall be given within seven days of the horse arrival at the event
- Check **negative coggins test not later than 12months** before the date of event.
- **Valid transport papers TRACES** (health attestation provided for in Annex II DIRECTIVE 2009/156/EC)

At arrival:

- FEI self-declaration including the temperature of the last 3 days via FEI Horse App
- FEI passport
- your own thermometer for examination on arrival
- valid health/transport papers (if the horse does not come from Czech Republic)
- After examination, the horse will be checked in at the FEI Horse App for the event.

During the event:

- check temperature twice daily and document this in the FEI Horse App
- every health change has to be reported to an official veterinarian

Before departure:

- temperature check and document this in the FEI Horse App
- you will get your passport back and the horse will be checked out in the FEI Horse App

We would like to point out once again that according to the FEI, disregarding the temperature measurements will result in [sanctions](#).
